DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 5/22/09 has been entered.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

Kudoh (US 5243663) discloses an apparatus that relates to a vehicle detecting apparatus (Kudoh: column 1, lines 9-11). This apparatus comprises "a camera device for taking an image of a view in front" (Kudoh: figures 1-2), "a calculator for calculating luminance data on the image, wherein the luminance data provides a source for luminance distribution characteristic value indicating a horizontal distribution on the image" (Kudoh: figure 2, wherein the calculator is the road surface luminance detector), and "a determination section for determining whether there is a fail occurring on the monitoring system based on the luminance data" (Kudoh: column 4, lines 65-68, wherein the monitoring failure is the failure in revealing the characteristic of the vehicle). However, this apparatus lacks the luminance values as claimed. This apparatus further lacks the specifics of the parameter as claimed. A further search was conducted which

Art Unit: 2621

failed to yield any prior art. Therefore, the prior art fails to teach or render obvious these limitations taken within the others in the claim

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
